***Day One – Leisure Tour***

9:00 am Continental breakfast provided by the hotel

10:30 am Group departs for day-time activities.

***Exclusive Everglades Safari Tour***

This tour takes you on a visit to the largest remaining swamp land in the world. You will experience the thrilling sensation of an airboat ride, and witness the serene beauty of the untamed wilderness of the Everglades. You will see alligators, turtles, rare birds, and all other sorts of plant and animal life.

The Everglades is the largest remaining natural subtropical wilderness in North America. Many people believe the Everglades to be just swamp land infested with countless mosquitoes, and other poisonous and dangerous creatures. This type of thinking lead to the rapid depletion of this great habitat in the first place. The vast variety of animals and vegetation consider the Everglades a safe haven from the ever encroaching human habitats.

Alligators, Anhingas, and even the elusive Florida panther make their home just 45 minutes west of downtown Miami. It is hard to imagine that this is what all of South and Central Florida used to look like only 150 years ago. The only way to see the "River of Grass" is by Airboat, since normal boats could never make it

though the three feet of water, which is the average water depth of the Everglades.

4:30 pm Group arrives back at the hotel for free-time until evening activity.

7:00 pm ***Tiki Beach Yacht Party***

This intriguing charter boat, made of bamboo walls, thatch umbrellas, tiki huts and 20' palm trees, is definitely a site to see.

Crystal-like sand covers most of the 3000 sq. ft. upper deck and dance floor area, giving the feeling of actually being on a real beach. The 'beach deck' has plenty of seating, a king-size lounger, full bar, and covered DJ area. White cushioned booths align the walls of both decks offering plenty of seating for 145 passengers.

The separate cabana area on the upper deck is softly coated with grass-flooring and has two carved wood cabana beds, plush with white cushions and extra large pillows; this area also has its own private bar, seating for 35 guests, and is near the Captain's station.

A full galley, three buffet stations, and private bar is located on the air-controlled lower deck, with sit-down dining for 75 guests.
