**Dinner at Bongos Cuban Café**

This magnificent restaurant and nightclub opened in 1997 in Downtown Disney at the Walt Disney World Resort in Orlando, a metropolis of fun! The building’s Old Havana architecture is dominated by a massive pineapple-shaped adobe structure that fills the skyline of Downtown Disney.

Beyond the barriers of the typical enclosed bars, lounges, and nightclubs, this 550 seat family restaurant offers spacious surroundings that will allow you to be a conga line leader, or quiet spectator. The flavor of its roots, textures and colors define our stunning space like no other.
